

Dear friends,

The AGM 2015 was just over. There were about more than 700 attendees this year. I met with lot with young friends that really are dedicated to our cause of HR. I'll write a more detailed report about this event.

At the luncheon on Saturday 3/21, I was presented an Certificate of Appreciation which qualifies me as an Human Rights Hero. All the audience gave me a quite warm applause. I still have to travel to Montreal, Toronto, Boston, Houston etc.. until the end of May. So that i'll miss lot of our Group 178 Irvine monthly meetings. You are all however lovely present in my thoughts.

In Solidarity
